

Notes: (1) Intertex is relying on the price submitted in a subcontractor's or vendor's ("subcontractor") proposal as an all-inclusive price for its trade scope of work pursuant to the owner's general conditions, plans and specifications applicable to the subcontractor's trade, regardless of any qualifying proposal language. (2) A listing of a subcontractor by Intertex is not an acceptance of all of any part of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid. (3) The subcontractor agrees that its bid will remain valid for the same acceptance period that the Intertex bid must remain valid with the owner, and any extensions requested by the owner. (4) Subcontractors must execute Intertex's standard subcontract or purchase agreement to participate in this project. Copies of these documents can be obtained from the Intertex Contract Administrator. (5) All subcontractors on this project must be prepared to furnish subcontract faithful performance and payment bonds issued by an admitted corporate surety, acceptable to Intertex, in the amount of their subcontract bid. Intertex will pay the bond premium up to 0.75% of the bid amount. Upon request by Intertex, subcontractors will be required to provide evidence of their ability to provide bonds within twenty-four (24) hours of the request. Intertex at its sole discretion reserves the right to waive the requirement of such bonds, to permit substitute security or to accept alternate guarantee in lieu of such bonds. Conditions, qualifications, exclusions or exceptions to the bond requirements contained in a subcontractor's bid are not enforceable. Such bonds must be furnished to Intertex within five (5) business days of the project being awarded to Intertex. (6) Subcontractors must adhere to provisions of the Master Labor Agreement(s) applicable to their trade. (7) Subcontractors requiring assistance with obtaining bonding, lines of credit, financing or insurance may contact the Office of Small Business and DVBE Enterprise Services by phone at (916) 375-4940. (8) THIS IS A PREVAILING WAGE PROJECT.
